CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATES TO ISSUE NEW SHARES AND TO REPURCHASE SHARES

Resolutions in writing were passed by the Shareholders on 8 May 2019 pursuant to which, among other matters:

- (i) a general unconditional mandate was given to the Directors to exercise all powers of the Company to allot, issue and deal with, otherwise than by way of rights issue, scrip dividend schemes or similar arrangements providing for allotment of Shares in lieu of the whole or in part of any dividend in accordance with the Articles of Association, or pursuant to the exercise of any options which may be granted under the Share Option Scheme, Shares with an aggregate number of Shares not exceeding the sum of (aa) 20% of the number of Shares in issue and (bb) the number of such Shares which may be repurchased by the Company itself pursuant to the authority granted to the Directors as referred to in sub-paragraph (ii) below; and
- (ii) a general unconditional mandate was given to the Directors to exercise all powers of the Company to repurchase Shares on the Stock Exchange or on any other stock exchange on which the securities of the Company may be listed and recognised by the SFC and the Stock Exchange for this purpose, such number of Shares not exceeding 10% of the number of Shares in issue; and
- (iii) the extension of the general mandate to allot, issue and deal with Shares pursuant to sub-paragraph (i) above by the addition of such Shares repurchased by the Company pursuant to sub-paragraph (ii) above.

The above mandates will expire at the conclusion of the AGM. At the AGM, the following resolutions, among other matters, will be proposed:

- (i) to grant the Issue Mandate; and
- (ii) to grant the Repurchase Mandate.

In addition, a separate ordinary resolution will also be proposed at the AGM to extend the Issue Mandate by the addition of such Shares repurchased by the Company pursuant to the Repurchase Mandate.

The full text of above resolutions is set out in resolutions number 4 to 6 as set out in the notice of the AGM contained in pages AGM-2 to AGM-4 of this circular.

LETTER FROM THE BOARD

The above mandates shall only continue in force until:

- (a) the conclusion of the next annual general meeting of the Company (unless renewed by an ordinary resolution of the Shareholders in a general meeting, whether unconditionally or subject to conditions); or
- (b) the date by which the next annual general meeting of the Company is required by the Articles of Association, the Companies Law or any other applicable Cayman Islands law to be held; or
- (c) the passing of an ordinary resolution by the Shareholders revoking or varying the authority given to the Directors,

whichever occurs first.

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

As at the Latest Practicable Date, a total of 800,000,000 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued and/or repurchased by the Company prior to the AGM, the Company will be allowed to issue a maximum of 160,000,000 Shares representing 20% of the number of issued Shares as at the date of the resolution granting the general mandate at the AGM.

An explanatory statement containing information regarding the Repurchase Mandate is set out in Appendix I to this circular.

RE-ELECTION OF RETIRING DIRECTORS

By virtue of Article 108(a) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years.

Pursuant to Article 108(a) of the Articles of Association, Mr. Yu Pak Lun Larry, Mr. Law Cheung Moon, and Mr. Leung Patrick Cheong Yu shall retire, and being eligible, have offered themselves for re-election, at the AGM.

LETTER FROM THE BOARD

Nomination Procedure

When identifying suitable candidates for directorship, the nomination committee will carry out the selection process by making reference to the skills, experience, education background, professional knowledge, personal integrity and time commitments of the proposed candidates, and also the Company's needs and other relevant statutory requirements and regulations required for the positions. All candidates must be able to meet the standards as set forth in Rules 5.01 and 5.02 of the GEM Listing Rules. A candidate who is to be appointed as an independent non-executive Director should also meet the independence criteria set out in Rule 5.09 of the GEM Listing Rules. Qualified candidates will then be recommended to the Board for approval.

To enhance the quality of the performance of the Board and to achieve diversity on the Board, the Board adopted on 13 July 2018 its Board Diversity Policy, amended on 31 December 2018, pursuant to which (i) all Board appointments will be based on meritocracy, and candidates will be considered against appropriate criteria, having due regard for the benefits of diversity on the Board; and (ii) selection of candidates will be based on a range of diversity perspectives, including but not limited to gender, age, cultural background and ethnicity, in addition to educational background, professional experience, skills, knowledge and length of service. If it involves the appointment of an independent non-executive director of the Board, the nomination committee shall also consider the perspectives, skills and experience that the person can bring to the Board, and how the person would contribute to the diversity of the Board. The Company shall take into account its own business model and specific needs and disclose the rationale for the factors it uses for this purpose. The ultimate decision be based on merit and contribution that the selected candidates will bring to the Board.

Recommendation of the nomination committee

The nomination committee considered each of Mr. Yu, Mr. Law and Mr. Leung's extensive experience in the information technology industry, familiarity with the operation of the Group, working profile and other experience and factors as set out in Appendix II to this circular, against the overall strategies, client and sales management as well as project management of the Company, and was satisfied that each of Mr. Yu, Mr. Law and Mr. Leung had the required character, integrity and experience to continuously fulfil the role as an executive Director effectively.

The nomination committee believed that re-election of each of Mr. Yu, Mr. Law and Mr. Leung as an executive Director would be in the best interests of the Company and its Shareholders as a whole.

LETTER FROM THE BOARD

Accordingly, with the recommendation of the nomination committee, the Board has proposed that all the above retiring Directors, namely Mr. Yu, Mr. Law and Mr. Leung stand for re-election as Directors at the AGM. Further information about the Board's composition and diversity as well as the attendance record at the meetings of the Board and/or its committees and the general meetings of the Directors (including the retiring Directors) is disclosed in the corporate governance report of the annual report.

The particulars of the Directors proposed to be re-elected are set out in Appendix II to this circular.

Pursuant to Article 72 of the Articles of Association and the requirement of Rule 17.47 of the GEM Listing Rules, every resolution submitted to the AGM shall be determined by voting by poll except where the chairman of the AGM, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hand. LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the resolutions set out in the AGM Notice including the grant of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of retiring Directors are in the interests of the Company and the Shareholders. Accordingly, the Directors recommend Shareholders to vote in favor of all resolutions as set out in the AGM Notice.

Your attention is also drawn to the additional information set out in Appendix I and Appendix II to this circular.

By Order of the Board
Kinetix Systems Holding Limited
Yu Pak Lun Larry
Chairman, Chief Executive Officer

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. GEM LISTING RULES FOR REPURCHASES OF SHARES

The GEM Listing Rules permit companies with a primary listing on the GEM Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions.

(a) Shareholders' approval

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company listed on the Stock Exchange must be approved in advance by an ordinary resolution of the shareholders, either by way of general mandate or by specific approval of a particular transaction.

(b) Source of funds

Repurchases of Shares by the Company must be paid out of funds legally available for the purpose in accordance with the Company's Memorandum of Association and Articles of Association, the GEM Listing Rules and the Companies Law. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Any repurchase of Shares by the Company may be made out of profits or share premium account of the Company or out of proceeds of a fresh issue of Shares made for that purpose or, if so authorised by the Articles of Association and subject to the Companies Law, out of capital.

Any premium payable on a redemption or repurchase over the par value of the Shares to be purchased must be paid for out of profits of the Company or out of the Company's share premium account or, if so authorised by the Articles of Association and subject to the Companies Law, out of capital.

(c) Reasons for repurchases

The Directors believe that it is in the best interest of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders.

(d) Funding of repurchases

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

The Directors consider that the exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2019, being the date of the Company's latest audited consolidated financial statements). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2019, being the date of the Company's latest audited consolidated financial statements) which in the opinion of the Directors are from time to time appropriate for the Company.

The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued shares of the Company was 800,000,000 Shares.

As at the Latest Practicable Date, there was no outstanding share option granted under the Share Option Scheme.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 80,000,000 Shares, representing 10% of the number of issued Shares as at the date of the resolution granting the repurchase mandate at the AGM. The above mandate will expire on the earliest of: (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the mandate is renewed, either unconditionally or subject to conditions; or (ii) the expiration of the period within which the Company is required by any applicable law or the Articles of Association to hold the next annual general meeting of the Company; or (iii) revoked or varied by ordinary resolution of the Shareholders in general meeting.

3. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the applicable laws and regulations of Cayman Islands and the memorandum of association and Articles of Association of the Company.

4. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company is increased, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of such Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code, unless a whitewash waiver is obtained. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, based on disclosures made under Part XV of the SFO and to the best of the knowledge and belief of the Directors, information on the substantial Shareholders was as follows:

| Shareholders | Number of shares held | Approximate percentage of interest in the Company | Approximate percentage of shareholding if Repurchase Mandate is exercised in full |
|------------------------------------|------------------------------|--|--|
| Vigorous King Limited ¹ | 600,000,000 Shares | 75% | 83.3% |
| Ms. Tong Po Ki Vicky ² | 600,000,000 Shares | 75% | 83.3% |

Notes:

1. Vigorous King Limited is held as to 100% by Mr. Yu Pak Lun Larry. Therefore, Mr. Yu Pak Lun Larry is deemed to be interested in the Shares which Vigorous King Limited is interested in by virtue of the SFO.
2. Ms. Tong Po Ki Vicky is the spouse of Mr. Yu Pak Lun Larry. Therefore, Ms. Tong is deemed to be interested in the Shares which Mr. Yu Pak Lun Larry is interested in by virtue of the SFO.

In the event that the Directors exercise the proposed Repurchase Mandate in full, the increase in above shareholdings in the Company would not give rise to an obligation to make a mandatory offer under the Takeover Code.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as to result in takeover obligation or the public holding of Shares would be reduced to below 25% of the total number of issued shares of the Company.

5. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

6. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Hong Kong Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

7. SHARE PRICE

The highest and lowest prices at which the Shares were traded on the Stock Exchange during the previous 12 months up to the Latest Practicable Date were as follows:

| | Share Price | |
|---|------------------------|-----------------------|
| | Highest <i>HK\$</i> | Lowest <i>HK\$</i> |
| 2019 | | |
| March | 0.285 | 0.230 |

| May | 0.249 | 0.210 |
| June | 0.600 | 0.210 |
| July | 0.600 | 0.162 |
| August | 0.185 | 0.088 |
| September | 0.110 | 0.090 |
