POSITIVE PROFIT ALERT

This announcement is made by Kinetix Systems Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “Board”) of directors (the “Directors”) of the Company wishes to inform the shareholders (the “Shareholders”) and potential investors of the Company that, based on the information currently available and preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025, the Group is expected to record a net profit of in the range of HK\$3.0 million to HK\$4.0 million, as compared to a net loss of approximately HK\$6.9 million for the year ended 31 December 2024 (the “Prior Year”).

The Board considered that the aforementioned increase in profit was mainly attributable to an increase in gross profit, driven largely by increased revenue resulting from a greater number of projects related to IT development solutions and IT infrastructure services.

The information above is based only on management’s preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 and the information currently available, which has not been reviewed

by the Audit Committee of the Company. The Company is in the process of finalising the Group's annual results for the year ended 31 December 2025, which is expected to be published before the end of March 2026 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
